[Childish Gambino]

Somebody tell that people what the fuck is up
I'm grindin' like a doozer looking cool as fuck
I'm grindin' I'm most hated but I sell the stage
I'm grindin' I'm most hated but I'm gettin' paid

[Chance The Rapper]

Eddy Scissorhands is workin' on my linin'
Gettin' spiffy for these bitches I be eyeing
Brentwood Mercury was playin' while I'm ridin'
Down to ridin, in a Scion
And I'm flyin', but it's cool, I got insurance
On a runt cuz I got warrants, but it's cool I got
endurance
It's cool I got suspended, but in turn I got some onions
Could've spent it all on Thursday, but I saved it for my
parents
But I spent a bit on Friday, in the night I hang with
Donald
I'm tired of McDonalds, when a chick that cook chicano
That can't speak a lick of English, and pronounce my
name like Chano
She say something something Spanish
I look back like, "Bitch, I know"
Tonight, I'mma make decisions for life
It's a Lucy Boomer dark lookin' light, some might drive
That's that shit right there that I don't like
There that shit just had to say
Shouts to the niggas that passed away
And shouts for the niggas that's here right now
And shouts for the niggas that got away
So sad to say, but it's all good
Niggas gon' celebrate, and wait for the day
Shit down today with Alize
Like live from the Chi', it's Saturday night

[Childish Gambino]

Used to have some patience, now it's all gone
Force feed these motherfuckers eatin' foie gras
Force feed these motherfuckers not a rockstar
I'm a say my piece, these other rappers lockjaw

I don't think they like me (I don't think they like me)
I don't think I'm icy I think I'm aight, B
Niggas wanna fight me? That's unnecessary
I don't quit for shit, that's my legendary
