Two separate points, oh, I've made clear
You can cast ashore I'll be praying for you
My infatuation's grown as knowledge begins to shift
Why are you so terrified of living your own life?

You'll be catching us tonight
I know you'll be calling in tonight
And still be down about tomorrow
When you think about yesterday you said,
"Oh, how time's a wasted thing."
Who can just give up like that?
Oh, no. Oh, no.

Oh, noooooo.
Favorite part of getting asked a lot of questions is:
To have a real start on preparing yourself for
something else
What's inside?
Discover what someone has to offer when your worlds
collide
