To be with you

Is my desire

No one but you

Will ever do

So take my lips

Their yours all alone

And take my heart

It's yours to own

[VERSE 3]

I'll never change

The way I feel

One thing I know

This love is real

[VERSE 4]

And when I dream

There's only you

And so I dream

To be with you

[Repeat VERSE 3]

[Repeat VERSE 4]

To be with you

To be with you
