(I love my baby and my baby loves me)
(I love my baby and my baby loves me)

I love my girl
I love her faithfully
I love my girl
She's everything to me

I love my girl
For her simplicity
I love my girl
And my baby loves me

I want my girl
She loves me every night
I want my girl
Because she treats me right
I want my girl
She never leaves my sight
I want my girl
And my baby loves me

I know I'll never find
Another girl of her kind
Who loves so faithfully
Now I know the reason why
I'm such a lucky guy
Because my baby, baby, baby loves me

[VERSE]
I want my girl
To share her love with me
I want my girl
To always care for me
I want my girl
To someday marry me
Because I love my girl
And my baby loves me

I know I'll never find
Another girl of her kind
Who loves so faithfully

Now I know the reason why
That I'm such a lucky guy
Because my baby, baby, baby loves me

[Repeat VERSE]
