Lines

Repeating patterns and signs
It's all a function of what I am
And my foolish pride

Mistakes I've made, regrets
You have drunkenly set
A crushing course to surrender
The night is drenched in it

Feel the wind on my face
Sadness stirring inside
Love cannot hide
(Bittersweet surrender)
Hide
Behind foolish pride

Cold
The car is so cold
The backseat makes me dizzy
It swallowed us whole

We've taken a turn, for the worse
Honey, we're cursed
It's no longer survival
It's unquenchable thirst

Feel the wind on my face
Sadness stirring inside
Love cannot hide
(Bittersweet surrender)
Hide
(Taking me)
Behind foolish pride

We were so young to be so near
To the edge of the world
We were so young to be so near
To the edge of the world

Feel the wind on my face
Sadness stirring inside

(Bittersweet surrender)
I cannot hide
(Taking me)
My foolish pride

Love cannot hide
My foolish pride
