Memory Lane
Doot do do do do doowa
Memory Lane
Doot do do do do doowa
I walk Memory Lane
All alone and blue
You walk Memory Lane
With somebody new
Sharing a kiss
A kiss that used to be mine
Just mine only mine
Oh how strange it seems
Seeing her with you
All our plans and dreams
Never did come true
Oh how I miss
That kiss that used to be mine
Just mine just mine
I need you yes I do
I really really do
I want you to you know I do
I truly truly do
Darling please come back
Let's begin anew
We'll walk hand-in-hand
Like we used to do
Take away the rain
That falls on Memory Lane
Memory Lane
I need you, yes I do
I really really do
I want you to you know I do
I really truly do
Darling please come back
Let's begin anew
We'll walk Memory Lane
Like we used to do
Take away the rain
That falls on memory lane
Woo oo oo oo oo
Memory Lane
