How long can I go on
Amusing myself
Night after night sitting all alone
While you're in the arms of someone else
Now don't you know that

While you're out looking for sugar
Somebody's gonna take your honey and be gone
While you're out looking for sugar
Somebody's gonna take your honey and be gone

You just buzz, buzz, buzz here and there
Spreading your love (Everywhere)

You think you're a sugar roll daddy with a candy kiss
You think without your love I can't exist
Don't think for a minute 'cause I'm true
That don't nobody want me but you, oh

While you're out looking for sugar (One day)
Somebody's gonna take your honey and be gone

How long can I be faithful
Truly I don't know
But if I find myself in the arms of someone else
Darling, it's all your fault

While you're out looking for sugar
Somebody's gonna take your honey and be gone
While you're out looking for sugar (One day)
Somebody's gonna take your honey and be gone

Buzz, buzz, buzz here and there
You're just spreading your love everywhere

Ba ba ba ba ba ba ba
Do do do
Ooh, ooh, ooh, ooh
Ba ba ba ba ba ba ba

From another woman's door you come sneaking
Back to my door you come creeping

You're sneaking 'cross the floor with your shoes in your
hands
How much more do you think I can stand

While you're out looking for sugar
Somebody's gonna take your honey and be gone
While you're out looking for sugar
Somebody's gonna take your honey and be gone

While you're out looking for sugar
Somebody's gonna take your honey and be gone
While you're out looking for sugar
Somebody's gonna take your honey and be gone

While you're out looking for sugar (Oh, some day)
Somebody's gonna take your honey and be gone
