Have I the right to hold you?
You know I've always told you
That we must never ever part
Oh ooh ooh oh

Have I the right to kiss you?
You know I'll always miss you
I've loved you from the very start

Come right back I just can't bear it
I've got this love and I long to share it
Come right back I'll show my love is strong

Have I the right to touch you?
If I could you'd see how much you
Send those shivers running down my spine.
Ooh Ooh

Have I the right to thrill you?
You know I'll wait until you
Give me the right to make you mine.

Well, Come right back I just can't bear it
I've got this love and I long to share it
Come right back I'll show my love is strong.
Oh yeah.
All right!

[Break]

Have I the right to hold you?
You know I've always told you
That we must never ever part.
No no no no no no

Have I the right to kiss you?
You know I'll always miss you.
I've loved you from the very start.

Come right back I just can't bear it
I've got this love and I long to share it
Come right back I'll show my love is strong.

Oh yeah yeah

Come right back I just can't bear it
I've got this love and I long to share it
Come right back right back where you belong
Oh yeah
You belong
Oh yeah
You belong
