I know it's crazy, but I can't stop
Yeah I should, but I can't stop
In all my dreams I've never found
Somebody like you

I know it's crazy, but I can't stop
Yeah I ought to, but I can't stop
When we're together I'm in heaven
I don't know what to do

I can't stop my lips when we kiss
We can't go on kissing like this
Wow!

I want you so
When I'm with you I know

I know it's crazy, but I can't stop
Yeah I ought to, but I can't stop
In all my dreams I've never found
Somebody like you
Wow!

I can't stop the beating of my heart
You've driven me wild from the start

Wow!
I want you so
When I'm with you I know

I know it's crazy, but I can't stop
Yeah I ought to, but I can't stop
In all my dreams I've never found
Somebody like you

I know it's crazy, but I can't stop
Yeah I should, but I can't stop
When we're together I'm in heaven
I don't know what to do

I know it's crazy, but I can't stop
I know I ought to, but I can't stop

I know it's crazy, but I ca-a-a-a-an't stop
