1. Whenever I' m up against the ropes  
Whenever a cloud hides all my hopes  
Whenever my adversary  
Seems so awfully big and scary

A smile is a frown upside down  
So turn that frown upside down  
A guy called fats wrote that line  
But IÂ'll sing it as if that line were mine

[Chorus]  
No matter what they say (Hey Hey Hey)  
IÂ'm gonna wipe my tears away  
No matter what they say  
IÂ'm gonna fight like Cassius Clay

2. Whenever my courage starts to melt  
I dream of winning the champions belt  
I tell my self I am the greatest  
Livin' loving heavyweightest  
Whenever it seems I've hit the ground  
K-O ed in the 15th round  
IÂ'll always get back on my feet  
I am the greatest I can't be beat!

[Chorus]  
No matter what they say  
IÂ' m gonna wipe my tears away  
No matter what they say  
You know I' m here to say  
No matter what they say  
I' m gonna fight like Cassius Clay  
No matter what they say  
I won't go away
