Let me tell youÂ' bout this lady,
I see her almost daily,
She drives me kinda crazy,
" And everybody says that sheÂ's too good for me.

But thereÂ's a sparkle in her eye,
That makes me wonder why,
I shouldnÂ't be the guyÂ'
To give this girl a try, and take her out with me.

[chorus]

SheÂ's the cutest little woman any man has ever seen,
And if you see her once you'll know
exactly what I meanÂ...

SheÂ'll be my baby!
Yep, IÂ'll take her out with me,
SheÂ'll be my baby!
I would climb the highest tree,
She'll be my baby!
Just to make her notice me,
She'll be my baby!

Now I'm a rockabilly,
And she finds that kinda silly,
But when the nights are chilly,
IÂ'd hold that little filly mighty close to me!

She doesnÂ't drink no wine,
Her livinÂ's oh so fine,
But if I take the time,
She'll put her hand in mine
and come on out with me.

[chorus]

I'm gonna take my time,
take it easy every day,
IÂ'm gonna make her mine,
that' s a tough olÂ' game to play,
I tell you fellahs,

with this chick I ain't in no race,
You got to see my eyes light up
when I see her face,
She's got the kinda looks
that vampires dream about,
But I bet that little lady loves
to scream and shout,
I tell you boys with this chick
I won't play no games,
'Cause every night I wake up
callin' out that chicks sweet name...

[chorus x 2]
