Shouldn't take to much explainin'Â'
or some excess mental trainin'Â'
To get through to you the feelin'Â'
that's a-got ma brain a-reelin'Â'
Should I put it down in writin'Â'
why I find you so excitin'Â'
It's not your telephonin'Â', it's all your pheromoanin'Â'

[chorus]

Wo-oh! We're the Hormonauts
Wo-oh! We're the Hormonauts
Lookin'Â' for somethin'Â' that baby you got
Watch out for me I'm a Hormonaut

You say I'm actin'Â' like a fool it's
cause I'm floatin'Â' in a pool
Of this thing that you're exudin'Â'
and there's no point self-deludin'Â'
There ain't nothin'Â' you can change
that's gonna make me less derranged
Â'Cause I'm floatin'Â' in a space of your silkiness and
lace

[chorus]

It's a great big step for me
An even bigger one for mankind
Don't need no gin and tonic, coke or hash,
Fame or fortune not even cash
A great big meal or a pint of beer
Just to float about a bit in your hormonospere

So all you big and little ladies see us actin'Â' just like
crazies
You got me floatin'Â' round, got me dribblin' like a
hound
Â'Cause I'm floatin'Â' in a space of your silkiness and
lace
In this world so oh a-tonal you're oh so pheromonal!

[chorus x 2]
