Ah ah...

You're gonna say you'll kiss me

You're gonna say you'll miss me

Well you're gonna say you'll love me

'Cause I'm-a gonna love you too

I don't care what you told me

You're gonna say you'll hold me

Well you're gonna say you'll love me

'Cause I'm-a gonna love you too

After all another fella took you

But I still can't overlook you

I'm gonna do my best to hook you

After all is said and done

I don't care what you told me

You're gonna say you'll hold me

Well you're gonna say you'll love me

'Cause I'm-a gonna love you too

You're gonna tell me sweet things

You're gonna see my heart sing

Well you're gonna make those bells ring

'Cause I'm-a gonna love you too

After all another fella took you

But I still can't overlook you

I'm gonna do my best to hook you

After all is said and done

I don't care what you told me

You're gonna say you'll hold me

Well you're gonna say you'll love me

Well I'm-a gonna love you too

You're gonna tell me sweet things

You're gonna hear those bells ring

Well you're gonna hear my heart sing

'Cause I'm-a gonna love you too

After all another fella took you

But I still can't overlook you

I'm gonna do my best to hook you

After all is said and done

Ah ah...

Ah ah...
