Without a warning  
You broke my heart  
You took it, darling  
And you tore it apart  
You left me sittin'  
In the dark cryin'  
You said your love  
For me was dyin'  
Turn on your light  
(Turn on your light)  
Let it shine on me  
(Let it shine on me)  
Turn on your light  
(Turn on your light)  
Let it shine on me  
(Let it shine on me)  
Let it shine shine shine  
Let it (shine shine shine)  
Let it (shine shine shine)  
Let it (shine shine shine)  
Shine on me  
Well I get a little lonely  
In the middle of the night  
Well I need you darlin'  
To make things all right  
Turn on your light  
Let it shine on me  
Turn on your love light  
Let it shine on me  
A little bit higher  
A little bit higher  
A little bit higher...
