Tell Me Honey, Cause I don't read your sign
I'm worried, are you wasting my time?
Cause I don't like to be Swept Aside

Oh Baby, I try so hard to be kind
But I'm lazy, I got mean things on my mind
and I don't like to be Swept Aside

Are you growing soft baby? Cause you say it's hard to
be true
Maybe I am crazy, cause I'd do anything for you

I'm try to tell you, why can't you understand?
If I can't have you, then I say no one can
Cause I don't like to be Swept Aside

Yeah Swept Aside! Yeah Swept Aside!
Yeah Swept Aside! Yeah Swept Aside!
Yeah Swept Aside! Yeah Swept Aside!
Yeah! Are you growing soft baby? Cause you say it's
hard to be true. Maybe I am crazy, cause I'd do
anything for you

Feelin sorry, what a bog fat waste of time
I'll get my kicks I don't care if it's a crime
Cause I don't like to be Swept Aside
