I've felt like this for quite some time
I felt it deep down inside
But I couldn't say cause everybody loves Rachel
I wanted to see a psychologist
I wanted to state my feelings
Can't hide my inner being cause everybody loves
Rachel
Believe me she's a bully,
She tried to take my dinner money
Believe me she's a bully
Her poisoned words are caked in honey
I know I'm not going mental
I know she ain't so sweet and gentle
I don't want to be part of the scene where everybody
loves Rachel
She left a good friend messed up
I couldn't let that pass
Confront her in the cloakroom
Show her I can kick her ass
She's on the best of terms with
All the people that think they matter
I want to spit on her booty cause not everybody loves
Rachel
Believe me she's a bully
She tried to take my dinner money
Believe me she's a bully
Her poisoned words are caked in honey
I know I'm not going mental
I know she's not so sweet and gentle
I don't want to be part of the scene where everybody
loves Rachel
I don't want to be part of the scene where everybody
loves Rachel
Do do do do
Believe me she's a bully
She tried to take my dinner money
Believe me she's a bully
Her poisoned words are caked in honey
I know I'm not going mental
I know she ain't so sweet and gentle
I don't want to be part of the scene where everybody
loves Rachel

I don't want to be part of the scene where everybody
loves Rachel
I'm hoping that you know what I mean
Where everybody loves Rachel
I don't want to be part of the scene where everybody
loves Rachel
