Excuse me sir
Didn't I used to know you?
Didn't we used to talk all night?

And in a world so full of lonely people
There is only one I'm here for
The stranger next to me
The dream I'm only dreaming of

I'm a casualty
A casualty oh
A casualty of you
Give it up time to conspire
If I say it's over I'm a liar
Casualty of you, of you

And it's gonna hurt
Didn't I think to listen?
You really let me down this time

And in a world so full of lonely people
There is only one I'm here for
The stranger next to me
The dream I'm only dreaming of

I'm a casualty
A casualty oh
A casualty of you
Give it up time to conspire
If I say it's over I'm a liar
Casualty of you

You don't tell me like you used to
Will you remember me at all?

I'm a casualty
A casualty oh
A casualty of you
Give it up time to conspire
If I say it's over I'm a liar
Casualty of you, of you
