So now my cover's gone
And I'll be fighting this on my own
But I'm telling you I've found the way out
You only helped me up
To see me fall back down
If this is the way it's supposed to be
I'm pulling away from everything
You'll find me in the skies
Diamonds in my eyes
As I'm lost in my dreams tonight
As I'm lost in dreams tonight
Yeah
Now my seams are torn
I hid the evidence and shut my door
It's easy to see I'm not so good at this
I didn't get that far
Before we tore this down
I never thought about the end
So if you look for me again
You'll find me in the skies
Diamonds in my eyes
As I'm lost in my dreams tonight
I can't stand to see us fight
Over nothing
You are the shining sun
Up in the sky
I am the Icarus
I flew too high
The ocean carries me
Down to the depths
Where I can finally be
I threw away my past
You'll find me in the skies
Opals for my eyes
As I'm lost in my dreams tonight
As I'm lost in dreams tonight
