Woah oh oh
Woah
It's pulsing through my veins
Don't leave me alone
I think I'll go insane
Rebuild what you've lost
And destroy what you've discovered
I began to lift off
That's when I overheard
That nothing I do
Really ever even mattered
And nothing I say
Makes it all okay
If we're doomed for tomorrow
Then let's live our lives today
But no
I'm losing my mind
There's so much left unfinished
And so little time
To rebuild what I've lost
And burn what I've uncovered
I began to lift off
That's when I overheard
That nothing I do
Really ever even mattered
And nothing I say
Will make it all okay
If we're doomed for tomorrow
Then let's live our lives today
Yeah
Today
Woah oh oh
