Silence is filling me up  
I tried so many times to reach you  
But nothing is ever enough  
Still I'm trynna get through

Cause the distance is filling me  
Have this thrills killing me  
Caught up in the change of your love

Holding on to memories  
Don't wanna be in between  
I'm lost without you

I just wanna be in your arms  
I only wanna feel safe  
Been waiting for eternity  
Cause all I wanna do is feel safe

In your arms  
I only wanna feel safe  
Been waiting for eternity  
Cause all I wanna do is feel safe

Silence is filling me up  
Feels like I'm drowning in the water  
But nothing is ever enough  
Am I crossing the border

Cause the distance is filling me  
Have this thrills killing me  
Caught up in the change of your love

Holding on to memories  
Don't wanna be in between  
I'm lost without you

I just wanna be in your arms  
I only wanna feel safe  
Been waiting for eternity  
Cause all I wanna do is feel safe

In your arms

I only wanna feel safe  
Been waiting for eternity  
Cause all I wanna do is feel safe

I just wanna be in your arms  
I only wanna feel safe  
Been waiting for eternity  
Cause all I wanna do is feel safe

In your arms  
I only wanna feel safe  
Been waiting for eternity  
Cause all I wanna do is feel safe

I just wanna be in your arms  
I only wanna feel safe  
Been waiting for eternity  
Cause all I wanna do is feel safe

In your arms  
I only wanna feel safe  
Been waiting for eternity  
Cause all I wanna do is feel safe
