I'm in and out of love,
I'm running back and forth between our hearts
But I won't give us up
Cause every day you let me know
How we can't stop
And when you say please
I'm over my head, I'm over my knees
I'm begging you please,
I love you more than words can say

We just can't stop, stop, can't get enough, enough
You take me higher, oh so higher
No we just can't stop, stop cause you make me laugh
Everything about you

You keep me falling for you,
I'm out the knowledge for you,
I'm out here hanging
We should be making our move
My plan's breaking in two,
I'm out here hanging
You keep me falling for you
I'm out here hanging
We should be making our move
I'm out here hanging

I'm in and out of love,
I don't know why this heart of mine wants to stop
When this is good enough, yeah
Should be good enough for me
To not wanna give it up

We just can't stop, stop, can't get enough, enough
You take me higher oh so higher
No we just can't stop, stop cause you make me laugh

Everything 'bout you

You keep me falling for you,
I'm out the knowledge for you,
I'm out here hanging
We should be making our move
My plan's breaking in two,
I'm out here hanging
You keep me falling for you
I'm out here hanging
We should be making our move
I'm out here hanging

You keep me falling for you
I'm out here hanging
I'm out here hanging
I'm out here hanging
I'm out here hanging
