I'm gonna take you with me to vanilla sky's
Embrace me I'm gonna take you oh so high
I wanna use you up i want to explore
So when I'm done with you I know your gonna beg for
more
Whatever I want whatever I need I'm gunna take ya
take ya take ya
Whatever I want whatever I need I'm gunna take ya
take ya take ya

Cause I'm selfish
I got an ego as high as a mountain
I'm selfish
I got an ego as big as a mountain
Cause I'm selfish
I got an ego as high as a mountain
I'm selfish
I got an ego as big as a mountain

When I tell you to stand over there better be prepared
Because I won't tell you twice no I won't tell you twice
Cause I'm a queen on my throne and I get anything I
want
So when I tell you to stand over there be prepared
Whatever I want whatever I need I'm gonna take ya
take ya take ya
Whatever I crave insidious taste I'm wanna take ya

Cause I'm selfish
I got an ego as high as a mountain
I'm selfish
I got an ego as big as a mountain
Cause I'm selfish
I got an ego as high as a mountain
I'm selfish
I got an ego as big as a mountain

I slowly ware you down and weaken all your senses
And there's no disguise its clear your losing your
religion to me...to me

I'm selfish yeah

Cause I'm selfish
Baby I got an ego as high as a mountain
I'm selfish
I got an ego as big as a mountain
Cause I'm selfish
I'm so selfish baby
I got an ego as high as a mountain
I'm selfish
I got an ego as big as a mountain
