It's like we're connected, it's like I'm infected
Saw you and expected something would go down
This feeling's electric, it came undetected,
like I've been selected and I don't know how

Cause there's something about-bout you and me tonight,
there's something you do-do got me feeling right
Cause you're so magnetic, yeah I feel ecstatic
I'm done wait and wait, I'm done

I'm done waiting,
I'm done, I'm done, wait, wait, wait
I'm, I'm done, I'm done, wait wait
I'm done waiting, I'm done, done waiting
Wait, wait, I'm done

Waiting for love, (I'm done) waiting for love, (I'm done)
Waiting for love, (I'm done) waiting for love, (I'm done)
I'm burning up inside, caught up in the strobe lights
I wasn't looking for somebody 'til I found you
Waiting for love, (I'm done) waiting for love, (I'm done)
Waiting for love, (I'm done) waiting for love
I'm burning up inside, caught up in the strobe lights
I wasn't looking for somebody 'til I, I found you

Now my mind is made up,
and I just can't say stop,
I'm dreaming can't wake up, can't turn around
My hearts in a headlock, try moving but I'm stuck
Was all just a lie before you

Cause there's something about-bout you and me tonight,
there's something you do-do got me feeling right
Cause you're so magnetic, yeah I feel ecstatic
I'm done wait and wait, I'm done

Waiting for love, (I'm done) waiting for love, (I'm done)
Waiting for love, (I'm done) waiting for love, (I'm done)
I'm burning up inside, caught up in the strobe lights
I wasn't looking for somebody 'til I found you
Waiting for love, (I'm done) waiting for love, (I'm done)
Waiting for love, (I'm done) waiting for love
I'm burning up inside, caught up in the strobe lights
I wasn't looking for somebody 'til I, I found you

Ey-yo, ey, ey-yo,
Ey-yo, ey, ey-yo,
Ey-yo, ey, ey-yo,
Ey-yo, ey, ey-yo-o

Waiting for love, (I'm done) waiting for love, (I'm done)
Waiting for love, (I'm done) waiting for your loving
I'm burning up inside, caught up in the strobe lights
I wasn't looking for somebody 'til I found you
Waiting for love, (I'm done) waiting for love, (I'm done)
Waiting for love, (I'm done) waiting for love
I'm burning up inside, caught up in the strobe lights
I wasn't looking for somebody 'til I, I found you ('til I found you baby)

I wasn't looking for somebody 'til I found you
