And now I know just how it feels to be alone  
(Alone and so damn scorned)  
It's like I can't even breathe, it's all this anxiety  
It's killing me

And after all these times, we let this replay  
Nothing's changed, we still do it the same way

I love that you've got me all figured out  
Because without a doubt  
You're the best damn thing that ever happened to me

Now we're moving on  
You just don't understand  
It's not that hard to comprehend

And after all these times, we let this replay  
Nothing's changed, we still do it the same way

I love that you've got me all figured out  
Because without a doubt  
You're the best damn thing that ever happened to me  
I'm going crazy, just can't get it out of my head  
Before I lose it  
I just might lose it  
And I bet you like that  
Yeah you like that

You just don't wanna know  
The things I had to let go  
What's it gonna take to get you back here with me

I love that you've got me all figured out  
Because without a doubt  
You're the best damn thing that ever happened to me  
I'm going crazy, just can't get it out of my head  
Before I lose it  
I just might lose it  
And I bet you like that  
Yeah you like that

Can't get it out of my head

Get it out of my head.
