What could I say
I guess I messed up
My friend this time
Real bad

I'm sorry
Think you ever could forgive
Oh, I know you you can't
Forgive but if you just
Let me hang around
Maybe I might be able
To change your mind
Everybody's some wrong

Oh, baby, let me say to you
That I've been the fool
That was unfaithful to you
But if it will ease the pain
Let me say, I'll never do it again
I have learned my lesson
This is where it's gonna end

Oh, honey, I'm your woman
And even though you've been untrue
If you still wanna stay with me
I'm gonna stick by you

But let this be a lesson to you
I can't do without you
You can't do without me
Let this be a lesson to you

You're the sweetest thing
In the whole wide world
I mean, forgiving me and everything
That takes a special kind of girl

I see you've forgotten
You've got a sure? over me
Whatever the wrong was, baby
You can always come home to me

But let this be a lesson to you
I can't do without you
You can't do without me
(When will you ever learn, baby)
Let this be a lesson to you

Oh, baby...
Let this be a lesson to you
I can't do without you
You can't do without me
Let this be a lesson to you
Let this be a lesson to you
