I took it fast  
I've been a mess  
I've been a self-righteous prick  
I've been around  
This lonely town  
Looking for a dime and a trick  
It's been a while  
Since I seen you smile  
No regrets is what they say  
Come on take it away

Hey, hey gonna shake in a day  
Put a rock n roll song like a bullet in your brain  
Don't sway, baby take it away  
It doesn't matter what they say  
We'll never make it anyway

Hey Yeah  
Oh Oh  
Hey Yeah  
Oh Oh

I'll take you home  
When we're alone  
I just can't keep my hands to myself  
It's not your date  
These dogs will pay  
To get alone but we might need some help  
You say we're over  
When you're sober  
But have a couple drinks and then I'll hear you say  
Baby take me away

Hey, hey gonna shake in a day  
Put a rock n roll song like a bullet in your brain  
Don't sway, baby take it away  
It doesn't matter what they say  
We'll never make it anyway

Hey Yeah  
Oh Oh  
Hey Yeah

Oh Oh

Hey, hey gonna shake in a day  
Put a rock n roll song like a bullet in your brain  
Don't sway, baby take it away  
It doesn't matter what they say  
We'll never make it anyway

Hey, hey gonna shake in a day  
Put a rock n roll song like a bullet in your brain  
Don't sway, baby take it away  
It doesn't matter what they say  
We'll never make it anyway

Hey Yeah  
Oh Oh

Don't worry baby (Hey hey gonna shake in a day)  
Don't worry baby (Hey hey gonna shake in a day)  
Don't worry baby (Hey hey gonna shake in a day)  
Don't worry baby (Hey hey gonna shake in a day)
