Oy!

Bbrrrrrr

I've broke away from a lot of thing

That I thought would improve my life

But the one thing that I'm sure of

Is my love for Jesus Christ

Big car, big house, big bank, but still empty inside

I may not be a superstar

But some things money can't buy

A carefree attitude is what I leave the house with  
everyday

Because I know if mountains come

They'll be moved from my way

I believe in Him with every ounce of faith in me

All my chains will break and I will be set free

Because He is the One

I'm guaranteed to have fun

If problems come I will not run

No damage will be done

(repeat)

I go on with my life and let Him live through me

Try to set a good example so outsiders can see

You don't have to find you answer in the smoke from a  
toke

'Cause Jesus Christ my Savior is the only way to go

I know when I die I'm gonna leave this chunk of dirt

Go to a place with streets of gold

Like nothing seen on earth

You can sit and cry or you could come with me

Have to do is ask of Him and He will set you free

Because He is the One

I'm guaranteed to have fun

If problems come I will not run

No damage will be done

(repeat)

Yeah, yeah, yeah

Chica, chica

Hey, hey, hey

Come on, come on

Pick it up, pick it up

Hey, hey, hey

Come on, come one
