Lord, You're beautiful

Your face is all I see

And when Your eyes

Are on this child

Your grace abounds to me

Lord, please light the fire

That once burned bright and clear

Replace the lamp of my first love

That burns with holy fear

Lord, You're beautiful

Your face is all I see

And when Your eyes

Are on this child

Your grace abounds

Your grace abounds

Your grace abounds to me

Brrr, stick 'em

Haha, stick 'em, stick 'em

(repeat 6X)

Lord, please light the fire

That once burned bright and clear

Replace the lamp of my first love

That burns, that burns

That burns with holy fear
