Who is this that appears
Like the dawn?
Fairer than the moon, brighter than the sun
You're the Lover of my soul
Draw me unto You
Draw me unto You

Who is this that beckons me
To come close
Beauty beyond words surrounds me when You're near
You're the Lover of my soul
Draw me unto You
Draw me unto You

We will run, we will fly
We will be together
We will laugh, we will cry
We will be together

Who is this that wipes the tears
From my eyes
Just one glimpse of You steals my heart away
You're the Lover of my soul
Draw me unto You
Draw me unto You
