So call it off, I never had a chance with you
Make me feel like I can't deal with my life anymore.
So call if off. I never had a chance with you.
My entry was hindered by you are the sinner my dear.
We wont fake it, no.
We wouldn't make it if we tried so hard, no.
So call it off, I never had a chance with you
Make me feel like I can't deal with my life anymore.
So call if off. I never had a chance with you.
My entry was hindered by you are the sinner my dear.
We wont fake it, no.
We wouldn't make it if we tried so hard, no.
We wouldn't make it.
Call it off, I never had a chance with you.
