[Meek Mill]

I just wanna thank God  
For all the pretty women he let into my life  
All the Benjamins you let me count  
Wealth and health  
For my family  
And lettin' me ball on these niggas

[Hook: Meek Mill]

Now it's a lot of bad bitches in the building (Amen)  
A couple real niggas in the building (Amen)  
I'm finna kill niggas in the building (Amen)  
I tell the waiter fifty bottles and she tell me say when  
And I say church (Preach)  
We make it light up like a church (Preach)  
She wanna fuck and I say church (Preach)  
Do Liv on Sunday like a church (Preach)

[Verse 1: Meek Mill]

Bottle after bottle, drink until I overdose  
Pull up in the Phantom watch them bitches catch the  
Holy Ghost  
Errtime I step up in the dealer I be goin' broke  
Shorty wanna fuck me I say get on top and roller coast  
And I lay back, she go cray, fuck me good, but she no  
stay  
Murder on that pussy let her boyfriend get that DOA  
Get it? And all I get is Frito Lay  
Plus I'm on probation, when they test me I just pee  
Rozay  
Cause last night, I went hard, Peach Ciroc, Patron and  
all  
Thirty racks on magnum bottles, I think I was born to  
ball  
Lookin' like a million plus, fresh I'm out that corner  
store  
Hater I be doin' me, you guys should be doin' y'all  
I'm stackin' money to the ceiling  
All this ice that's in my Rollie I be chillin'  
And I just made a couple million  
So I could take care of them children, let's go

[Hook: Meek Mill]

[Verse 2: Drake]

Just bought my niggas some cane, so much it came  
with a plane  
Bought my niggas some dope, so much it came with a  
boat  
I just bought me a crib so big it came with a moat  
For niggas jumping the fence I hope you niggas can  
float  
And I just hope that I'm forgiven for carin' 'bout how  
they livin'  
And loanin a little money and keepin' 'em out of prison  
I ain't lyin' in my verses I'm just telling you the basics  
Of growin' up with your friends and becoming the one  
that made it, yes lord!  
All gold, man I got these bitches sold  
Talkin' bout these other rappers getting old is even  
getting old  
Worrying about your followers, you need to get your  
dollars up  
Me and Meek, young niggas poppin' like our collars up  
And good ain't good enough, and your hood ain't hood  
enough  
Spent my whole life putting on, you spend your whole  
life putting up  
Ain't no telling when I go, so there ain't shit that I'mma  
wait for  
I'm the type to say a prayer, then go get what I just  
prayed for

[Hook: Meek Mill]

[Verse 3: Meek Mill and Jeremih]

Lord forgive me for my sins, I'm just tryna win and shit

Devil in a dress but if she knock I let her in  
And if she knock I let her in  
I have her wet by 12 o' clock, then 3 o' clock she wet  
again  
I'm screaming Oh Lord, that pussy good, that pussy  
good  
I'm tryna hold on, I wish I could, you think I should  
She got that million dollar body, shorty my Bugatti  
And she said she got a man, we keep it secret  
illuminati  
(Got Patron on deck) And Ciroc all in my bottle  
(Push it all on her) She was on that Reposado  
(She take it all off) And I think I'll rep Serato  
In this bitch I'm spending like I hit the lotto cause it's a  
lot of...
