i don't wanna go there  
we should never go there ( damn )  
why you wanna go there ?  
i guess i gotta go there  
you're hearing rumors about me & you can't stop make  
the thought  
of someone touching my body when you're so close to  
my heart  
i won't deny what this is saying because most of it is  
true  
but it was all before i fell for you  
so please wait  
so please don't judge me  
and i won't judge you  
cause it could get ugly  
before it gets beautiful  
please don't judge me  
& i won't judge you  
and if you love me , then let it be beautiful  
let it be beautiful (x4)  
everything i say right now  
is gonna be used in another fight  
& i've been through this so many times  
can we change the subject  
you're gonna start asking me questions like  
" was she attractive ? was she an actress ?( maybe  
defective?) "  
you're hearing rumors about me & theres some  
pictures online

saying they got you so angry , making you wish you  
were blind  
before we start talking crazy , sayin' some things we'll  
regret  
can we just slow it down & press reset  
so please don't judge me  
and i won't judge you  
cause it could get ugly  
before it gets beautiful  
please don't judge me  
& i won't judge you

and if you love me , then let it be beautiful  
just let the past , just be the past  
& focus on things , that are gonna make us laugh  
take me as i am , not who i was  
i promise i'll be the one that you can trust  
so please , so please don't judge me  
and i won't judge you  
cause it could get ugly  
before it gets beautiful  
please don't judge me  
& i won't judge you  
and if you love me , then let it be beautiful

i don't wanna go there  
baby we should never go there .
