And she screamin out I'm cummin
I tell em meet me in the bathroom

Her friend knockin at the door
And she screamin

[DJ Drama:]

[Meek Mill:]

I tell em meet me in the bathroom

She tell em boy don't grab my hair because you're

All my jewelry cold as fuck but I'm a hot boy
All these stones in my chain make me a rock boy
And I heard you niggas talking money you should stop

French Montana on all these niggas ch-ch-ch-ch-chop

Every time I'm in the club these niggas is not around
Everybody talking money I say prove it not a sound
White girls gone wild
We don't judge 'em though, they ain't on trial
Bad bitches got 'em on dial
It's bottoms up but it's going down

[Chorus:]

Welcome to my house party party
Welcome to my house party party
Welcome to my house party party
Welcome to my house party party

Ciroc all on my table bitches in the living room
They gon ask who at the door, tryna get in too
Only me and my niggas, tell her bring a friend or two
Bottles poppin models watching all in my living room
