How you love that, how you love that
I'm a bad motherfucker, how you love that
Eryday I'm doing me, how you love that
Keep a super bad bitch, how you love that X 2

How you love that, the mafia be thugging
30 deep shake down hit the panic button
Dial 911 it's an emergency
Hey damn shitting on this niggas certainly
Champagne flutes, convertible coupes
She attracted to the lime life, she serving the troops
Yeah I love them girls, but love my money too
So when she coming through I tell her bring my money
too
I love my rose red, my diamon color blue
My car europeean, ...
I got a lot of haters, they see me flying up
But I'ma gun them down, hurry and lign them up

How you love that, how you love that
I'm a bad motherfucker, how you love that
Eryday I'm doing me, how you love that
Keep a super bad bitch, how you love that X 2

How you love that, how you love that
We the connect, so don't ask me where the plug at
Niggas be hating on me, I show them love back
But still they try to drive my name with the murder
So when the hip line...
Say they gonna murda me, well where the blood at
I leave them all wet, like where the tub at
She fucking the team, how you love that
I was dead broke, I had to fix that
Pull my ... on, like this to get back
All my bitches bad girls, miss cat
It's who ... so you ... to go for 6 stacks

How you love that, how you love that
I'm a bad motherfucker, how you love that
Eryday I'm doing me, how you love that
Keep a super bad bitch, how you love that X 2

When I think about rappers, I have premonitions
The only thing on my resume, it's the trap and the
kitchen
I'm addicted to fast cars, money and bitches
Turn money all kind of ways, a hundred positions
Used to grind in apartments, ...fuck on the car ...
All this ice on, yeah my diamond's a conflict
My girl got a girl they claiming they partners
So tell your partner come over let's get this thang
popping
And Shawty got an uncle that devil...
Niggas that know you ain't hustling
I'm married to the game no need to divorce it
Polo rap... covered in horses, how you love that

How you love that, how you love that
I'm a bad motherfucker, how you love that
Eryday I'm doing me, how you love that
Keep a super bad bitch, how you love that X 2
