[Verse 1:]

I laugh, cause I rememba I was dead broke
Like I'm so muthafuckin hungry man ma head hurt
Until I learned tha game
And made ma head work
Like get dem bitches lata, jus take dis bread first, yea

Went to a trapaholic, get money all nite
All day, soft yea we even gave em hard white
From bad work to brown weed man I dun sold em all

Ma I dun sold it all like from hustlin from all nite
Strugglin with all ma might man I dun lit a
Started with a half of weed n progressed to a ball like
Damn near made me wanna liv tha boss life
I ball like mike, tie game 5 seconds on tha clock
Da narcs playin defense but I'm still gon take da shot
Yea it's hot to get da guap
I'm a giv em all I got
Niggaz think dat dey can see me
Dat means I'm on tha top

[Chorus:]
