I'm like step up in the buildin lookin like a million
My neck kinda freezin so you know a nigga chillin
Everytime you see me I be lookin liek a villain
My pants sagg low so you can see the 9 milli

Patrone got me on that haze got me so bent
I be high to the sky I glide like a rolex

And he next (ah ah ah ah)

[Bridge]

[Hook]

I'm like shorty what you talking bout
Go head and walk it out
We pull up in that 5 o'clock
The crew done stole the parking spot
460 elepent hating niggas ball the block
If gettin bitches was a crime
You Niggas prolli call the cops
Cuase I'm killing them
Fresh prince will and them
I be on your block and I be balling like adrenalin
Coppers share their watch time and I can swear I peel
on them
Haters keep that spill for them
Cause coppers down like riddle em (riddle em)
Put them in their place they try to jack us
My man gone put that Cheese up on yo head just like a
Packer
Them goonies they get all up in yo shit liek a hacker
They pop up at ya crib an dey be after (you)
I be in my bag
I share my swagga (1, 2)
Man I don't even try I just be fly everytime I do it.
Like I do I domt through
Tell your bitch she coming too
She hop up in that wheel that bitch be kickin kung-fu
