Feat. Neve

Take this moment, make it still
Stay forever, by my side
Make a promise, to your soul
Leave me never, that I know

It can be
But I know, it can be
Lost our way, you and me
I'm still in love with you

And you said to me
I will set you free
But I silently remain

I need a miracle this time
We need a miracle this time

(Your love has left away)
(You wash away my pain)

I remember, days gone by
Warm and tender, makes me cry
I know it can be

But I know, it can be
Lost our way, you and me
I'm still in love with you

And you said to me
I will set you free
But I silently remain

I need a miracle this time
We need a miracle this time

Miracle this time
We need a miracle this time
Miracle this time
We need a miracle this time

Miracle this time
We'll need a miracle this time
