(Chorus) x2

i gotta lotta dough
cause getting money all a nigga know
ima professional money getta
ima professional money getta

they ask me what i do
i keep they mouths froze
cause gettin money all a nigga know
ima professional money getta
ima professional money getta

(Verse 1)

i said i wake up in the morning wash my face and brush
my teeth
finna chase the money i put on my running sneaks
cause nothing in this world aint gon come for free
so ima go and get it if it aint gon come to me
yeah ! who runnin with us
who fuckin with us
the teacher asked me what i wanna be, a money getta
when i was broke i did a joke, i was a funny nigga
now i dont really play around, im gettin money nigga
started on the stoop, turn a quarter to a coup
say the profit and regroup
shitted on them haters, OOOPS !
buy my bitties ever bags so they can ball like jill swoops
all i do is get the money and spend it like the world do
this old head told me money it dont mean nothin
i was thinkin in my head like he aint seen nothin
cops at me by the car i aint seen nothin
if u wont fall for anything you aint mean nothin

(Chorus)

i gotta lotta dough
cause getting money all a nigga know
ima professional money getta
ima professional money getta

they ask me what i do

i keep they mouths froze
cause gettin money all a nigga know
ima professional money getta
ima professional money getta

(Verse 2)

i say im tryna turn a dolla to a million
i was knockin at the door they wouldnt let me in the
buildin

so i took it to the streets sold my mixtapes and i killed
em
same hoe dat fronted on that nigga now they feel em,
steel him
broke bitches on my back, now u want my autograph
told em in miami, im gonna fan em all up on that ass
they was chasin random chicks and i was chasin
around that cash
dawg i aint find my swag untill the day i found my
stage
money make the world go round and all them pretty
girls go down
blizzy on deck cause in the day it can still go down
that money dont make u real u a dildo clown, u fake !
if they aint gettin money now a days they hate
it aint my birthday but im eatin my cake
but i aint gotta eat cause i already ate
yeah im already straight !

(Chorus)

i gotta lotta dough
cause getting money all a nigga know
ima professional money getta
ima professional money getta

they ask me what i do
i keep they mouths froze
cause gettin money all a nigga know
ima professional money getta
ima professional money getta

...

you know ima money getta
a money gettin professional
a money gettin professional
a money gettin professional

you know ima money getta

a money gettin professional
a money gettin professional
i get it !

(Chorus)

i gotta lotta dough
cause getting money all a nigga know
ima professional money getta
ima professional money getta

they ask me what i do
i keep they mouths froze
cause gettin money all a nigga know
ima professional money getta
ima professional money getta
