### "Rest In Pain"

Pain is Rising, the Age of Fuse  
Sustain Horizon, no need of use  
BURN

All is falling  
Heaven's calling  
Call me up, I'm next in line  
Free forever  
All together  
A beginning, of the Afterlife

Crash course in the eternal love  
Begin on earth, finish above  
RISE

All is falling  
Heaven's calling  
Calling up, I'm next in line  
Free forever  
Now we're together  
Our beginning of the Afterlife

Remember to say goodbye  
For now it's do or die  
No help in screams and cries  
Break trough the Holy night
