Would you save me from this place... adore me
Until my body melts away... explore me
I'm makin' rainbows in my mind
To watch a new world, grow inside

Can I dissolve into you... yeah
Fallin' to this sky so blue

Sunrise, sunrise, sunrise
Can you feel it now?
Sunrise, sunrise, sunrise
Can you feel it now?

Can I dissolve into you... allow me
To fall into the sky so blue... surround me
With every color in your heart... to suit me
And we'll wake up, in the morning sun

Sunrise, sunrise, sunrise
Can you feel it now?

Sunrise, sunrise, sunrise
Can you feel it now?

And to the east I worship
The Sun and it's great mysteries
Find my roots to guidance
And walk through life with beauty

Sunrise, sunrise, sunrise
Can you feel it now?
Sunrise, sunrise, sunrise
Can you feel it now?

Sunrise, sunrise, sunrise
Can you feel it now?
Sunrise, sunrise, sunrise
Can you feel it now?

Can you feel it now?
Can you feel it now?

Can you feel it now?
Can you feel it now?
