Got all my niggas in the building with me  
Somebody call some pretty bitches through  
Motivation - yeah

I pop a perc  
I fuck yo bitch  
Got you blowin up her phone while she suckin dick  
Yellow bone, hella thick  
She know I be gettin money like I'm sellin bricks  
If you gone tell 'em somethin you should tell 'em this  
Every time them people grab me I ain't tell 'em shit  
Not a word, but my government  
So they can run my name and I'll be bailin quick  
I be rolling round in my town, southsider northbound  
Don't throw your hoe in that water, we won't save the  
bitch  
She might drown  
I'm gettin money right now  
Strapped up with that pound  
Got a sad song on my hip I swear you don't wanna hear  
that sound okay  
Yellow rollie, yellow bezzle, ooh my money on another  
level  
Yea - and my bitches gettin even better  
I'm stackin paper got these haters gettin even madder  
Look in they faces, I see they hatin  
Get in they whip they bitches got my cd playin  
Money ain't a joke, and I ain't even playin  
I told her to spend the night and I ain't even stayin  
Them hoes tell me I'm too much, them haters tell me  
I'm too up  
Yea I'm racked out and I'm jeweled up  
Just three deep we aint gooned up  
We keep heat yeah that tool tucked  
George Jeff. I done moved up  
Spin'n the block pull that coupe up  
George f. I done moved up  
Spend the block pull that coupe up  
Handspring, I put the roof up  
I think I'm tony montana, ridin with the hammer  
Niggas on that hating shit, I let 'em eat bananas

Ak-47 picture perfect like a camera  
I point it at your homie leave 'em stinking like a pamper  
Fuck what you drinkin, fuck what you thinkin  
This 40 hit yo homie leave that nigga plankin

Catch me M.I.A, I probably be with Haitians  
Yea, ha, catch me M.I.A I probably be with Haitians
