You should never keep any envy  
Against your brother, sister,  
Or even your greatest enemy  
And if you do it, don't blame it on me,  
Don't blame it on me, oh no  
Don't blame it on me,  
Don't blame it on me at all

Though I might be from worlds of poor  
Back arise in poverty,  
Jah Jah let them rule my destiny  
Cause I've never yet dipped my hand in iniquity  
Don't blame it on me  
Don't try to belittle me

So a one thing can so easy  
And these are the words of prophecy  
What will be is got to be  
Don't blame it on me, don't blame it on me  
I'm not of that quality  
Don't blame it on me, don't blame it on me

Poverty-cause people to live in misery  
Sometime let them forget dem history  
Tell them equal rights and justice stand for one and all  
And I will never ever like to see my brethren fall  
There's a long book of life  
And it's wide open  
And whosoever name is not written there  
Whosoever name is not written there  
Sorry for you oh yea  
Sorry for you oh I yea  
Don't blame it on me.  
Don't try to belittle me.  
So a one thing can so easy and these are  
The words of prophecy  
What will be is got to be  
Don't blame it on me. Don't blame it on me;  
I'm not of that quality  
Don't blame it on me.  
Don't blame it on me...
