Give me power every hour - I need it so
Give me power every hour
Give me power every hour
Jah wonderful feeling
I just can't resist Jah wonderful feeling
I just can't resist

Give me power every hour - I need it so
Give me power every hour
Give me power every hour, oh yeah, ooh yeah

This good good feeling, Jah wonderful feeling
It's the feelin' that I'm feelin' inside of me, ooh yes
Let's give Jah praises and let His name be a reminder
'Cause without Jah there is no love - that's what
I'm singing

Give me power every hour - I need it so
Give me power every hour - Jah Jah
Give me power every hour, oh yeah, ooh yeah

I know the way you make me feel Jah
When I feel this good feeling deep inside of me, yeah

Give me power every hour - I need it so
Give me power every hour
Give me power every hour

I know the way you make me feel Jah
When I've got this good feeling deep inside of
Me, yeah

Give me power every hour - I need it so
Give me power every hour
Give me power every hour, oh yeah, ooh yeah

Give me power that I can be strong
To dedicate myself against my enemy
Power just to guide me and let me rule my destiny
Give me power every moment, every minute and
Everyday I say

Give me power every hour...
