I was hungry and you gave me to eat
I was thirsty and you gave me a drink
I was naked and you clothed me again
I was a stranger and you took me in
And they said Lord when did we do
These righteous things for you
And He said Brothers you must help each other
If you wanna make it through

(chorus)

In as much as you've done to the least of these
You've done unto me
There is no small service in the eyes of the Lord
Great is thy reward, great is thy reward

I was imprisoned and you came to me there
I was sick and you showed me you cared
By doing these things that I've asked you to do
You'll inherit the kingdom that's awaiting you
And they said Lord when did we do
These righteous things for you
And He said Brothers you must help each other
If you wanna make it through

(chorus x 2)
