Listen to a lonely sound
See the gray and
Sadness all around

See the people go their way
Care not of me and love
I've lost today

Maybe tomorrow
I will love again
I'll never know until
I've looked into her eyes

Maybe tomorrow
I will love again
Until I've seen her
Once or twice

And so, I'm living for dream
Each lonely day spent
Looking for the sunshine

I'll make believe
That I don't care
I'll tell my friends
I love my life, I'm happy

Maybe tomorrow
I will love again
I'll never know until
I've looked into her eyes

Maybe tomorrow
I will love again
Until I've seen her
Once or twice

Wherever
Whoever you may be
Let the light of your love
Shine through the window

Of my heart

Then when you've colored
All my thoughts bright
Don't let me ever
Ever think of night
No, oh, yeah

Maybe tomorrow
You will love again
I'll never know until
I've looked into her eyes

Maybe tomorrow
You will love again
Until I've seen her
Once or twice

Maybe tomorrow
I will love again
Maybe tomorrow
I will love
