Outside I hear them talking  
Could it be it's me they're mocking  
An eye for an eye is all that matters anymore

Pilate put me in this prison  
And I deserve what I've been given  
A life for a life and that's the one I'm dying for

I caught the eye of a man who was beaten  
I saw the truth, even I believed him  
Now I can tell from my cell, who they're wantin' more

I hear them cry, "Release Barabbas!"  
In disbelief I turned to Jesus  
He looked at me and He said go free, you're the one  
I'm dying for.

For the one who is hurting and the one who has done  
wrong  
For the one who needs healing and feels like hope is  
gone  
For the weary who can't carry his cross anymore  
You're the one, You're the one I'm dying for

For the one with all the questions and the one who just  
believes  
For the one who casts the first stone and the one down  
on her knees  
For the weary who can't carry his cross anymore  
You're the one, You're the one  
You're the one, You're the one I'm dying for
