"Yours And Mine"

I hope I didn't wake you (It's never too late)
My heart is so broken (Honey, It'll be OK)
I wish you were here now (I wish I was too)
Don't know what I'd do without you

(chorus)

If I could take the hurt all away
I'd gladly walk in your shoes
I'd rather it be happening to me than you
I'd love to turn your tears into laughter
And all of your rain to sunshine
But since I can't take it
Let's make it yours and mine

I heard from the doctor (I heard the bad news)
Oh I am so frightened (I've been praying for you)
I don't understand it (Sometimes life isn't fair)
Seems like more than I can bear

(chorus)

I'll laugh with you, cry with you
You know I would die for you
Together we can make it through

(chorus)

Since I can't take it
Let's make it yours and mine.
