It hasn't been a bed of Roses since I started on my way  
and Lord you  
know i'm not complaining theres just something I  
should say For I've  
reached desperation and I've stumbled since my start  
I've grown  
weary thru the years now I'm crying bitter tears from  
the depths of  
my heart.

CHORUS:

From the depths of my heart Lord i'm call ing out to you  
for  
I need you here to lead me, I've done all that I can do  
Lord I'm trying  
to do my part to see that others make it thru and tho I  
know I don't  
deserve you, still I'm trying hard to serve you from the  
depths of my  
heart.

It's not a prayer just from the lips, It goes much deeper  
than  
words.Its not a worthless expression I just need to be  
heard for Lord  
I need to reach your throne I know exactly what I'll do I'll  
just fall  
down on my knees I know you will hear the pleas from  
the depths  
of my heart.

CHORUS:

From the Depths of my heart, Lord I'm calling out to you  
for I need you here to lead me, I've done all that I can  
do, Lord I'm  
trying to do my part to see that others make it thru and  
tho I know I  
don't deserve you, still I'm trying hard to serve you  
from the depths  
of my heart.

TAG:

And tho I know I don't deserve you still I'm trying hard  
to serve you  
from the depths of my heart.
