It hasn't been a bed of roses
Since I started on my way
And Lord you know I'm not complaining
There just something I should say
For Lord i've reached desperation
And I've stubbled since my start
I've grown weary through the years
Now I'm crying bitter tears
From the depths of my heart

From the depths of my heart
Lord I'm calling out to you
For I need you here to lead me
I've done all that i can do
Lord i'm trying to do my part
To see that others make it through
And tho I know I dont deserve you
Still I'm trying hard to serve you
From the depths of my heart

It's not a prayer just from the lips
It goes much deeper than words
It's not a worthless expression
I just need to be heard
For lord I need to reach your throne
I know exactly what I'll do
I just going to fall down on my knees
I know you will hear the pleas
From the depths of my heart

From the depths of my heart
Lord I'm calling out to you
For I need you here to lead me
I've done all that I can do
Lord I'm trying to do my part
To see that others make it through
And tho I know I dont deserve you
Still I'm trying hard to serve you
From the depths of my heart

I know I don't deserve you

Still I'm trying hard to serve you
From the depths of my heart
