"Peace Like A River"

Did you ever have an empty feeling, many miles away from home. Everybody's trying to treat you friendly, yet you're alone. It's taken some time for me to uncover the purpose he has in my life. Don't know where it will take me but I know where I've been and I know it feels so right.

Chorus...

I got peace, like a river, flowing deep, in my life. I got peace, like a river, and you know, it feels so right. I got peace.

No I am not one who can move high mountains, or cross the big red sea. Nor can I walk on the water like Peter or Jesus, or set the lame man free. It's all I can do some days to get through, the valleys here below. I don't feel I deserve a mansion in heaven, but it would please me so.

Repeat chorus.

I got peace. Like a river. Flowing deep in my life. I got peace. Like a river and you know it feels so right. I got peace.
